The NSI's Standards Training Centre (STC) is the leading National Standards Trainer that leverages on experienced, technical competent and professional trainers to provide world class engaging and effective learning. Our standards training services make a significant difference by enriching knowledge and experience, enhancing the implementation of standards, promoting competitive products and services, whilst streamlining operations.

Our courses are offered as either **Awareness and Introduction, Executive Briefing, Development and Implementation, Internal Auditing and Documentation**. The courses are offered to both individuals, teams and organizations, whether **inhouse, external** or **online**.

There is a friendly costing modality based on your needs with possible discounts. For special standards training needs, such as products and standards not listed below, prices are specially designed.

We would also like to inform you that we have added **Integrated Management Systems Trainings** on ISO 9001, ISO 45001, ISO14001 and ISO 22000 for both **Executive Briefing and Internal Auditing**, as well as **ISO 9001/ ISO 45001/ ISO 14001/ ISO 22 000/ NAMS 10049/ NAMS 10330 Documentation** courses.

We cater for sectors such as: Agriculture, Fishing, Mining, ICT, Chemicals, Food Handling, Cosmetics, Tourism, Building & Construction, Health & Medical, Transport & Logistics, Manufacturing, Educational & Academia, Banking & Financial as well as administration.

Below is our flexible training course schedule, more towns may be considered, all courses will be offered based on number of trainees that registered for the training including exact dates.

Trainings outside of Windhoek, attracts additional charges for **Venue, DSA and Travel**.
