National foreword

This Namibian Standard (NAMS) is a homegrown and was approved for adoptions by the Namibian Standards Institution CEO.

Namibian standards are developed based on NSI Standards development procedures in accordance with the rules given in the International Organisation for Standardisation/ International Electrotechnical Commission (ISO/IEC) Directives and WTO – TBT World Trade Organisation code of Good Practice (which is published as Annex 3 in the TBT Agreement)

The NSI Management Technical Committee responsible for this standard is NSI TC 3, Food Safety Management Systems, Subcommittee SC3 on Horticulture products standards

This NAMS 0023:2022 was published in August 2022.
