National foreword

This Namibian Standard (NAMS) is a homegrown and was approved for adoptions by the Namibian Standards Institution CEO.

Namibian standards are developed based on NSI Standards development procedures in accordance with the rules given in the International Organization for Standardization/ International Electrotechnical Commission (ISO/IEC) Directives 2 and WTO – TBT World Trade Organization code of Good Practice (which is published as Annex 3 in the TBT Agreement)

The NSI Technical Committee responsible for this standard is NSI TC 3, Food Safety Management Systems, Subcommittee SC6 on Poultry and Poultry product standards

This NAMS 0028:2025 was published in January 2025
