Foreword

This Namibian Standard is an identical adoption of South African National Standard SANS 10378:2012, as allowed by the South African Bureau of Standards (SABS) in terms of the Agreement signed between NSI and SABS effective 16 March 2017.

This Namibian Standard was approved by the NSI Technical Committee TC 09 on Metrology, responsible for development of metrology standards in Namibia that may be used by the relevant authorities as technical regulations.

Namibian standards are developed or adopted, in compliance with annex 3 of the WTO/TBT agreement.

This standard was published in February 2018.
