Foreword

This South African standard was approved by National Committee SABS TC 1070, *Retro-reflection*, in accordance with procedures of the SABS Standards Division, in compliance with annex 3 of the WTO/TBT agreement.

This document was published in December 2008. This document supersedes SABS 1116-1:1996 (edition 2).

Reference is made in clauses 1 and 3 to the “relevant national legislation”. In South Africa this means the National Road Traffic Act, 1996 (Act No. 93 of 1996) (as amended from time to time).

SANS 1116 consists of the following parts, under the general title *Retro-reflective number plates for motor vehicles*:

Part 1: Blank plates (aluminium).

Part 2: Number plates (aluminium).

Part 3: Blank plates (plastics).

Part 4: Number plates (plastics).

Annexes A, B and C are for information only.
