

TC Number	Name	Scope	Secretariat Contact Email address
TC1	Technical Committee on Renewable Energy	Renewable energy systems	Owosebl@nsi.com.na
TC2	Technical Committee on Quality Management and Quality Assurance (QMS)	Quality management and quality assurance.	TjihozuN@nsi.com.na
TC3	Technical committee on Food safety management systems (FSMS)	Human & animal foodstuffs, from primary production to consumption, terminology, sampling methods of test and analysis product specifications, food and feed safety and quality	PatuuomasaO@nsi.com.na
TC4	Technical Committee on Electrotechnical in Namibia (NaEC)	terminology, specification of the services offered by electrotechnical service providers, including related activities for environmental protection and consumers safety	AbiatarE@nsi.com.na
TC5	Technical Committee on Environmental Management Systems	Environmental management systems	KauneM@nsi.com.na
TC6	Technical Committee on Building Construction, Cement and Concrete Technologies	Building Construction, Cement and Concrete Technologies Building Construction, Cement and Concrete Technologies	AbiatarE@nsi.com.na
TC7	Technical Committee on Disability Products and Services	Assistive products and related services to assist a person in compensating for reduced abilities	Owosebl@nsi.com.na
TC8	Technical Committee on Occupational Health and Safety	Occupational, Health and Safety management systems	TjihozuN@nsi.com.na
TC9	Technical Committee on Metrology	Metrology (measurements and instruments)	AbiatarE@nsi.com.na
TC10	Technical Committee on Vehicle and Road Safety	Vehicles and roads safety	KauneM@nsi.com.na
TC11	Technical Committee on Nature Conservation	Nature care, research and veterinary purposes	TjihozuN@nsi.com.na
TC12	Technical Committee on Design of Dry Sanitation facilities and systems in rural areas and informal settlements	Guidelines, and technical specifications for the design, construction, operation, and maintenance of dry sanitation facilities and systems appropriate for rural areas and informal settlements in Namibia.	Owosebl@nsi.com.na
TC13	Technical Committee on Risk Management	Risk management	TjihozuN@nsi.com.na
TC14	Technical Committee on Chemicals	Chemicals and chemicals products	KauneM@nsi.com.na
TC15	Technical Committee on Petroleum	Petroleum and Petroleum Products	KauneM@nsi.com.na
TC16	Technical Committee on Textiles and Leather	Specifications for leather/textile products, methods of tests, terminology and definitions	PatuuomasaO@nsi.com.na
TC17	Technical Committee on Information Security Management	Information security management systems	Owosebl@nsi.com.na
TC18	Technical Committee on Refrigeration and Air-Conditioning systems	Refrigeration and air-conditioning, including terminology, mechanical safety, methods of testing and rating equipment, measurement of sound levels, refrigerant and refrigeration lubricant chemistry, with consideration given to environmental protection	KauneM@nsi.com.na
TC19	Technical Committee on Jewellery and Precious Metals	Jewellery numbering systems, sizes, colours, coatings and tests methods	ShiimbashikeR@nsi.com.na
TC20	Technical Committee on Steel and Aluminium Structures	Structural use of steel and alloys of aluminium, requirements for the design, fabrication and erection of steel and aluminium structures.	ShiimbashikeR@nsi.com.na
TC21	Technical Committee on Cosmetics	Cosmetics products	ShiimbashikeR@nsi.com.na
TC22	Technical Committee on Wood Charcoal and Timber Products	Wood and timber products, terminology, labelling, classifications, specifications test methods, construction and dimensions	TjihozuN@nsi.com.na
TC23	Technical Committee on Plastics and related products	Plastics and related products	KauneM@nsi.com.na
TC24	Technical Committee on Green Hydrogen Technologies	Systems and devices for the production, storage, transport, measurement and use of Green Hydrogen	AbiatarE@nsi.com.na

TC25	Technical Committee on Tourism and Related Services	Terminology and specifications of the services,related activities, touristic destinations, requirements of facilities and equipment used	Owosebl@nsi.com.na
TC8/SC1	Subcommittee on Lifts and Escalator	Lifts and escalator	Owosebl@nsi.com.na
TC3/SC1	Subcommittee on Bottled water	Bottled water and testing methods	PatuuomasaO@nsi.com.na
TC3/SC2	Subcommittee on Milk and milk product	Raw milk and its products	PatuuomasaO@nsi.com.na
TC3/SC3	Subcommittee on Horticulture products	Horticulture products	PatuuomasaO@nsi.com.na
TC3/SC4	Subcommittee on Fish and Fishery products	Raw meat and its products	Owosebl@nsi.com.na
TC3/SC5	Subcommittee on Meat and Meat products	Raw meat and its products	PatuuomasaO@nsi.com.na
TC3/SC6	Subcommittee on Poultry, their Products and Feedstuffs	Terminology, sampling, methods of test and analysis, product specifications and requirements for packaging, storage and transportation	PatuuomasaO@nsi.com.na
TC3/SC7	Subcommittee on Cereals and pulses	Terminology, sampling, methods of test and analysis, product specifications and requirements for packaging, storage and transportation	PatuuomasaO@nsi.com.na
TC3/SC8	Subcommittee on Apiculture Products and Pollination Services	Processes, products, terminology, code of parctices, guidelines, beekeeping practices, pollination services, specifications and requirements for packaging, storage, transportation, methods for sampling and tests.	Owosebl@nsi.com.na
TC3/SC9	Subcommittee on Animal Feeding Feeds and Feeding Stuff	Terminology, codes of practice,specifications of raw materials, finished products, guidelines, requirements for packaging, storage, transportation, methods of smapling and tests.	Owosebl@nsi.com.na
TC4/SC1	Subcommittee on Electrical power enery transfers system	Electrically propelled road vehicles and industrial trucks, drawing current from a rechargeable energy storage system,	AbiatarE@nsi.com.na
TC6/SC1	Subcommittee on Low Cost housing	Terminology, methods of test and analysis, materials specifications and requirements, design, construction, maintenance and accessibility	AbiatarE@nsi.com.na
TC22/SC1	Subcommittee on Coffins and Caskets	Material specifications, construction, basic dimensions,seepage proo of woods and timber coffins and caskets	TjihozuN@nsi.com.na
